Guide to Online Classes

MARCH 2020

Introduction

OUR MISSION

is to continue to provide fun, creative training opportunities for all our programs that require very little equipment and can be done outside of the dance studio.

You will require:

CONNECTION

Good quality Internet and an electronic device.

SPACE

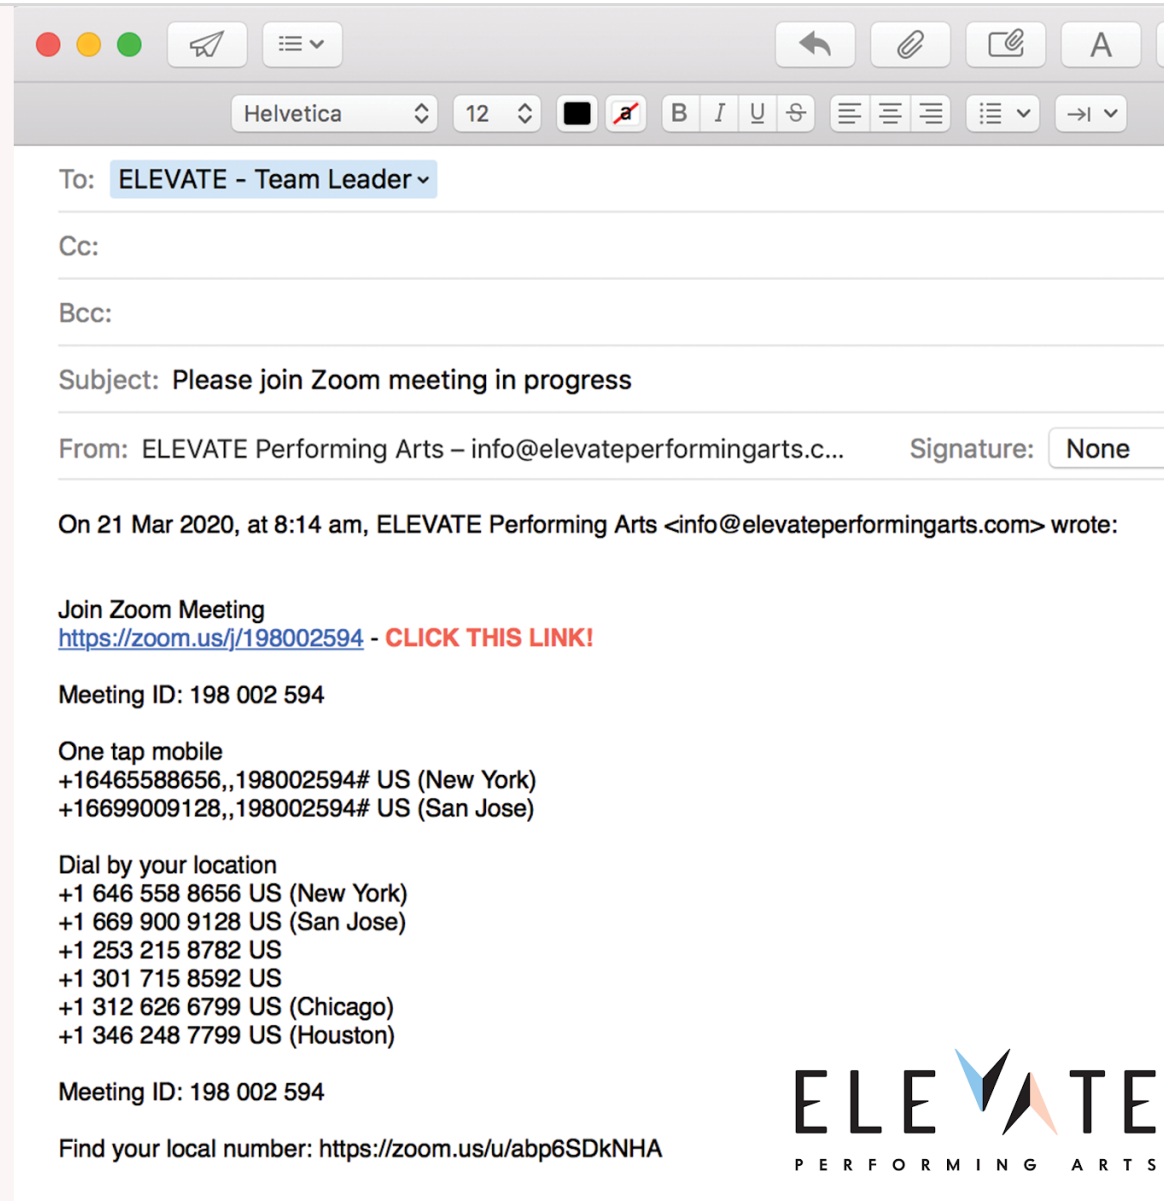

The more space the better - but our lessons will be condensed to ensure those with even the smallest space can participate.

POSITIVITY

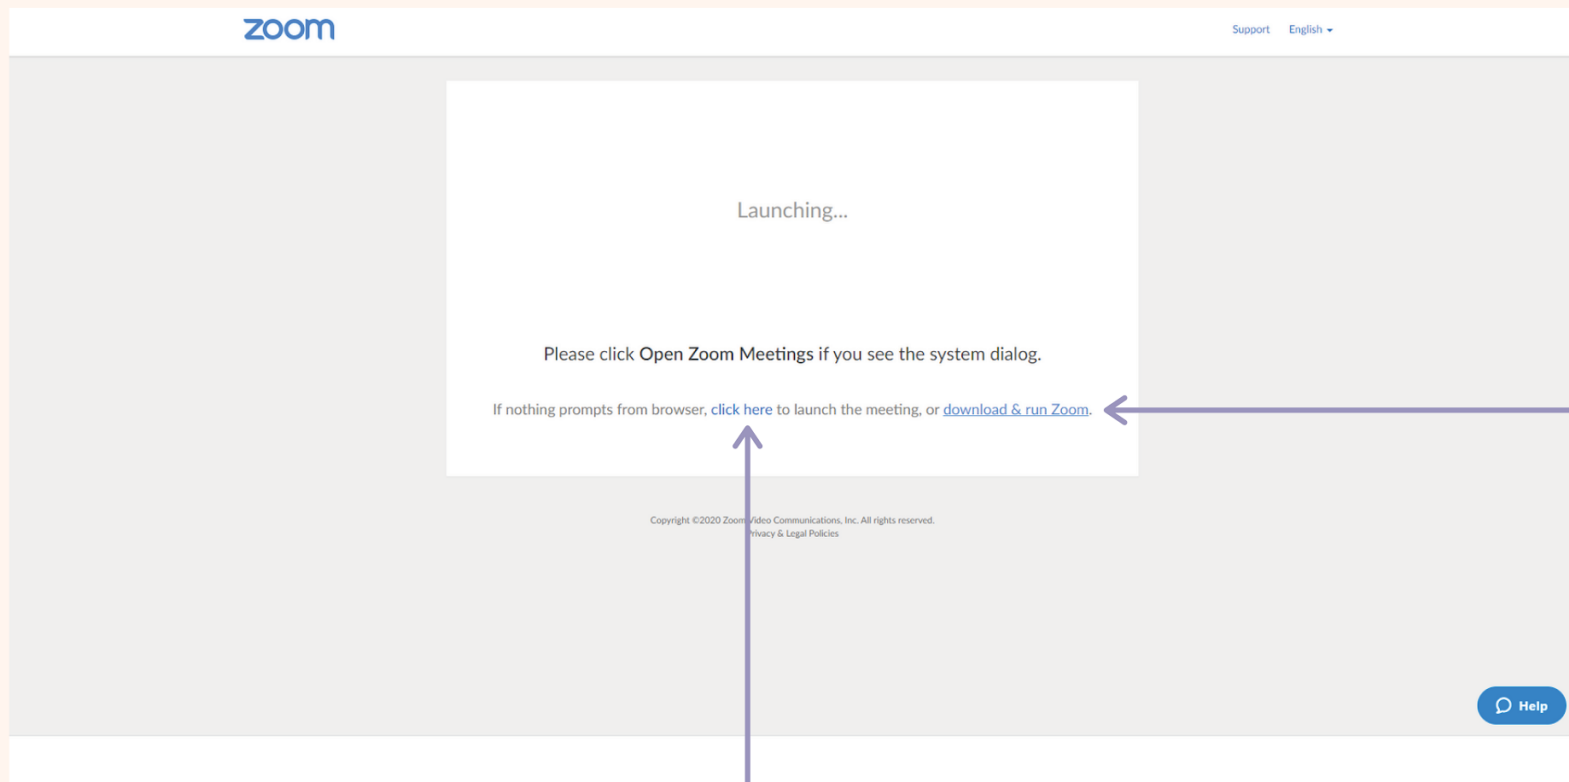

Ready to try something new and unconventional.

ACCESSING YOUR CLASS

You will be sent an email with the link to join our 'meeting'. Click this link - This meeting will be your virtual dance class!

IF YOU DO NOT HAVE ZOOM INSTALLED IT WILL OPEN UP THE BELOW PAGE:

You can download the Zoom app for easier access to each class for next time.

You can click on this link to use your browser to access the meeting.

YOU'RE IN! NOW WHAT?

Wait for instructions from the coach! Please make sure to mute your audio in the bottom left corner to help prevent unnecessary background noise.

Extra Notes

DOWNLOAD THE APP

If you plan on using a phone/tablet/other device instead.

PLAN YOUR SET UP

To save time please ensure you have set up your device in a way that your coach will be able to see you when your video is on.

HAVE FUN

Take this opportunity to have fun and enjoy what our modern technology is able to accomplish!

PLEASE BE PATIENT

This is a pilot project and we are new to this form of class delivery. In the case of any technical difficulties please be patient with us!

We will not be interrupting our classes to assist anyone who is having trouble joining - if this happens please contact Gabrielle and she will try and help correct the issue in the future.

All classes will be recorded for viewing after the event in the case you are away at that time.

The best way to prepare is ensure you have a steady internet connection.
